

Cypress Bay Mu Alpha Theta Booster Club

2018-19 School Year Parent Membership Form

Mu Alpha Theta (MAO) is a national math honor society for middle and high school students. With over 200 active student members each year, Cypress Bay MAO has consistently made a positive impact within the South Florida community. Our tutors volunteer their time and skills to help hundreds of struggling students every week, and our competitors bring home hundreds of awards at regional, statewide, and national levels every year.

As proud parents of these exceptionally intelligent individuals, members of the Math Booster Club do everything they can to financially support the club's members. Through membership fees, a holiday poinsettia sale, and other fundraisers throughout the year, we alleviate the cost students directly bear when they participate in these prestigious events.

Please become a member of the Math Booster Club to support our extraordinary children. **A one-year membership is only \$20**

Parent Name: _____

Address: _____

City: _____ **State:** _____ **Zip:** _____
